Suggested Tracks:

Track 2: Make it Right – funky sexy doo-wop with plunger trombones

Track 1: Dragonfly – -Ethereal R&B sound with cowboy guitar

Track 8: Spread the Love Around – poppy, calypso. You may want to fade out after 4 minutes.

The end repeats the chorus about a dozen times

Track 14: Maple Ridge – Northwoods local culture song. Just voice and guitar, recorded outside Michael's house.

Warning-- begins with :18 seconds of quiet before the birdsong fades in.

Notable musicians on the disc:

Jared Nelson Smith – Production, Guitars, Bass, other stringed and keyed instruments. Jared has done studio work with Ry Cooder and toured internationally with bands including Hello Stranger and Big Bang of Norway. He has produced other artists including his own music as a solo act and for his band Wilderness.

John Churchville. - Drumset, tabla drums. John played on Billy String's Grammy-winning recording, has been nominated for a Grammy as a music educator and has been selected to represent the USA at the world tabla convention in India. He has produced recordings classical Indian music and Indian experimental music.

Biography:

Michael Waite grew up on the south shore of Lake Superior. The son of a gourmet cook and an English professor, he graduated from the music school of Northern Michigan University in 2001 and lives with his wife, dancer/choreographer Erica Waite and their three children in a house he built in Michigan's Huron Mountains. This is his first studio recording.
